

ADR AXLES USA:

New facility, same commitment

Our growth continues with the opening of a new facility:
ADR Axles USA.

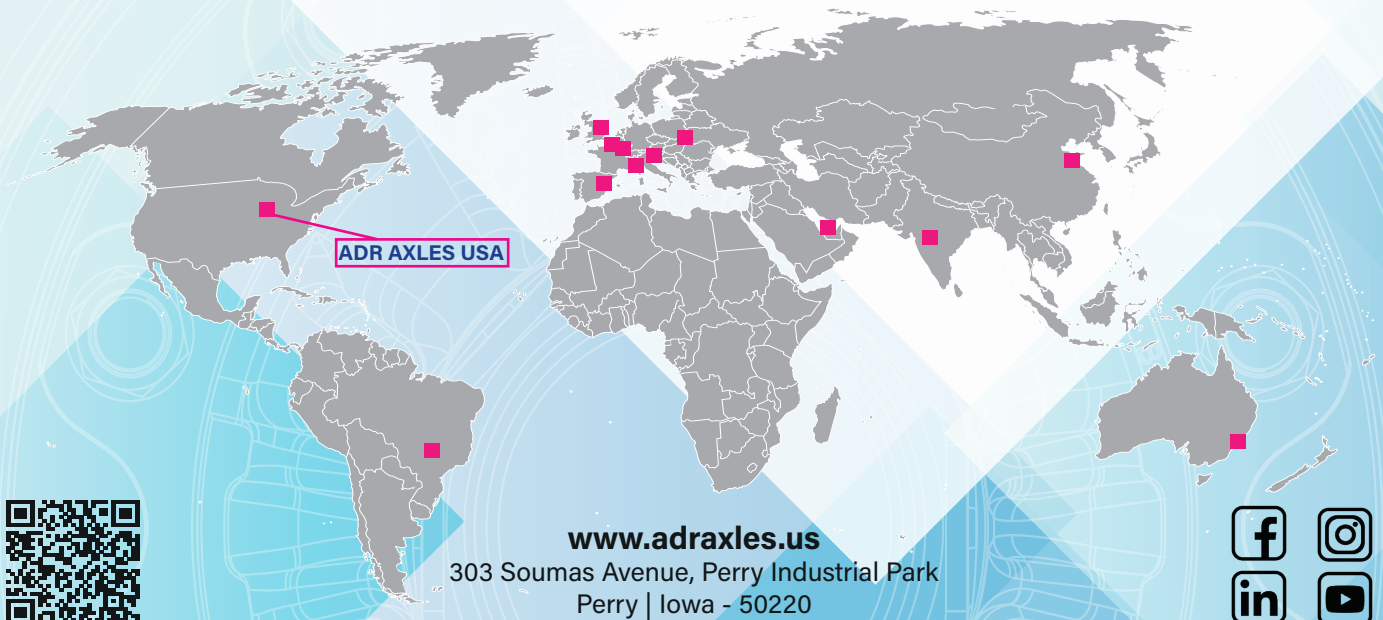

- **Opening:** 2027
- **Area:** 68,000 square feet
- **Purpose:** heart of ADR's production and distribution for U.S. market

The new plant represent an opportunity to provide a **faster and closer support** to U.S. customers and to strengthen the collaboration with key industry partners.

Grey area: parking and exterior paving.
Blue area: Offices and Workshop building.
Light pink area: further expansion of the building.

Our support worldwide
